In the Multicultural Heroes Hall of Fame Case Competition each team will have no more than 10 minutes to make their case. A team must have three MSU registered undergraduate students. The winning team will receive a $2,000 total prize. Team applications are due on Wednesday, January 20, 2016, 4 PM. This will give each team one month to prepare for the case competition. Teams must send one representative to an orientation meeting on Friday, January 22, 2016 at 3 PM. All team members are required to attend a dress rehearsal on Sunday, February 14, 2016 in the afternoon.

The final round of the Case Competition will be held on Wednesday, February 17, 2016 at 6:00PM in N100 Business College Complex before a panel of judges.

Our goal is to create an educational program that honors heroes from various cultures who epitomize Dr. Martin Luther King’s dream of a nation where “…his children will not be judged by the color of their skin but by the content of their character.” We have developed an educational case competition that focuses on improving student knowledge of Black History Month and multicultural leaders who have had a significant impact on the world. This program will also help promote diversity and multiculturalism. It will help develop professional presentation skills, case competition skills for undergraduates, and promote a sense of cultural efficacy for all people.

The Program
The emcee of the competition will set the tone for the program and its relationship to Dr. Martin Luther King, Jr. and Black History Month. Our emcee will talk about how Black History is American History and how the struggles for freedom, dignity and human rights are a universal struggle. We truly believe that Black History is about all of us; our program will bring multicultural heroes alive for the audience to experience and will educate them as well. The emcee will then facilitate the case competition.

The Process
Utilizing the principles of a case competition, each team of three students will be asked to:
• Give a biographical overview of one of the heroes listed
• Relate how that person has carried and passed the torch of justice
• Describe how that person has contributed to the struggle for human rights
• Explain the relationship between this person and Dr. Martin Luther King, Jr.
• Ultimately make a case for why this person should be inducted into our Black History Month Multicultural Heroes Hall of Fame
